District News

Crossing Temple County Day

A fantastic day was had by all. The Beavers had so much to do; crafts, bouncy castles, games, climbing walls, reptiles, birds of prey. It was a great day. A big **thank you** goes to Irene and her team for organising such a fun day.

Riffhams Ramble

3rd October 1pm until 4pm at Riffhams. There will be kite making, bug hunting, crafts, trails, and more..

Thank you to all those Leaders that have already volunteered to help.

We still could do with a couple more bases, so if you are available to help please let us know. Letters are being sent out regarding this event, if you don't get yours soon then get in touch.

We Need Your Help Can you help run any of the Upcoming Events? If you can help please ring Justine or Tracy. Thank you.

Colony Visits

In September we are hoping to start visiting some colonies. We hope to be able to offer support, if needed, and also to pinch all your fab ideas!
