Programme Ideas

Friendship Challenge Badge - community

RNLI - Have Educational Volunteers that can visit your group. The lady that visited us was excellent she did a DVD presentation, let the beavers try on some gear and brought booklets for the beavers to take home.

It is nice to say thank you and we did this by raising some funds for the RNLI, which also went towards the Helping others part of the Friendship Badge. You can contact the Regional Education officer for the East on 01473-822837 or by email to REdM_East@rnli.org.uk

Congratulations to:

To the following Leaders for achieving their 5 year service certificate:

Sue Lynas BSL at 1st Woodham, Tabrums colony.

Jennie Scott ABSL at 1st Woodham, Tabrums Colony

Adrian Beaumont BSL at 25th Chelmsford.
