Hikes Away 1

Paper Mill Lock to Riffhams

This is about a one hour hike. You start at Paper Mill lock and finish at Blakes Wood in Danbury. You do have to walk about 100 metres along a small country road but the rest is all along footpaths. It is a lovely walk that takes you across fields, through a farm and a wood.

Beavers are dropped off at Paper Mill Lock and picked up at Blakes Wood car park. It is just the leaders that either have to walk back to their car after, or you have someone ready to take you back to your car.

I did have to do the walk several times

Programme Ideas are for sharing. Email us your ideas or favourite games so that we can add them to the next newsletter.

Joint Events

Would you like to do a joint event with another colony?

Perhaps you haven't done a sleepover before and would like to do one with another colony first?

Maybe you have done lots of sleepovers and would be happy to do a joint sleepover.

Or perhaps you would like to do a trip and need to do a joint event to fill the coach?

If so let us know and we will add it to our next newsletter.

1st Ingatestone and Fryerning are doing a trip to Drusillas Park on the 27th May. They have spaces on their coach. For further details contact Shirley Darling.

first before I felt confident to take the Beavers.

I will be taking my Beavers on May 12th, if any leaders would like to come along, so that you can test out the route, you are more than welcome.

Alternatively I would be more than happy to come with your group and show you the way, just give me a call to see if we can arrange a convenient date.
