

# MOROCCO CHELMSFORD EXPLORERS August 2011

**Saturday 13th August 2011 - Friday 26th August 2011**

As you may have heard, this summer a contingent of Chelmsford Explorers will be heading to Morocco! In such a diverse county, they plan to climb and stay up in the Atlas Mountains, ride into the Sahara desert on camels staying out in Bedouin tents, visit the medieval souks to barter in the Marrakesh markets, along with uncovering rich history in towns that haven't changed for thousands of years; all making for an unforgettable adventure....

... and you could join them too. We have been offered 4 additional places by our travel company and would like to offer these out to anyone who has recently joined Explorers, either from the Scout section or into one of the recently formed units.

(If had seen the info in the past, but hadn't got in touch, this is your last opportunity).

If this sounds like your kind of trip, you'll need you to act quickly, as we're sure these places will disappear fairly swiftly. Just give us a call to acknowledge your interest.

More information about this expedition is available; we have attached our launch presentation that covers the basics of this trip, along with an event flyer and an application form.

You're also welcome to get in touch with the Event Leaders to ask as many questions as you can think of - Call Sandy Wilson (01245 468443) or Danyel Horner (01245 224448).

The cost for this Moroccan expedition will be £975 per person (Leaders pay the same), we do have various payment options and are flexible to help spread the load. Please call.
